Dear Parent/carers

FREE SCHOOL MEALS ONLINE CHECKING SERVICE

Washwood Heath Academy has an online system for Free School Meal applications. This is part of a wider scheme used across Birmingham that some users may be aware of. There are many benefits to this online service:

- No paper forms to complete and return
- Automated system will notify the Academy if you are eligible
- No need to come in and supply evidence to the Academy
- It is a secure and confidential process
- There is one application; you do not have to renew your entitlement every year

To complete the online application you will need your National Insurance Number or National Asylum support service reference number if applicable, your child/children's date of birth and your own date of birth.

This service is only for Schools and Academies that use Online Free School Meals checking service. If you have children at other schools you will need to contact them directly.

If you would like to secure your child/children's Free School Meals eligibility please apply online at www.link2ict.org/fsm as soon as possible.

Yours sincerely

Mrs L Petrie
