

Dear Parents and Carers,

Washwood Heath Academy are delighted to share with you our plans for Red Nose Day 2021.

On Friday 19th March, we are inviting pupils and staff to come to school in non-uniform and encourage everyone to wear red clothing for Comic Relief. The Primary, Secondary and Sixth Form pupils are able to come to school on that day in non-uniform, for a donation of £1.

In line with Washwood Heath Academy's Covid-19 Safety measures, money will be collected directly into charity buckets, and further safety measures will be applied to ensure it is donated safely.

Staff have pledged to a variety of activities such as cycling the equivalent of John O'Groats to Birmingham, creating a cooking video, running a marathon and being covered in beans.

The Primary staff will be undertaking a **Staff marathon run!** Primary staff will take turns to complete an entire Marathon of 26.2 miles.

We would really appreciate donations from staff and parents to support such an important cause. All contributions, big and small will be graciously received and have a positive impact.

The through school have an online donation page: <https://www.justgiving.com/fundraising/washwood-heath-academy-rednoseday21>

We look forward to meeting and exceeding our £500 fundraising target and safely raising money to help people in need. After a long absence, we are excited to be hosting a day of activities which will bring us all together, as well as adhering Government safety guidance, with the common cause of helping those in need.

Yours sincerely,

Mrs L Petrie

Headteacher
